

Together for Animals

Together for Animals raises much needed funds for its four leading animal welfare charities – Blue Cross, Mayhew, SPANA and World Horse Welfare - working to relieve the suffering of pets and working animals in the UK and abroad, including in some of the world's poorest communities.

No animal should suffer from injury, disease, abuse or neglect. It is only through donations from kind people like you that we are able to rescue, care for, and rehome so many dogs, cats, horses, donkeys and other animals.

Your donation really does make a difference, helping thousands of animals in need. Vincent was abandoned at 7 weeks old and had suffered his ear and tail being cut off.

The ball of fluff should have been a pristine white, but he was mucky and sad. He had been left all alone with a soiled blanket, a filthy toy, and some food, but no water, and he was terribly thirsty.

The kind donations we receive help make sure pets like Vincent do not have to suffer the terrible ordeal of being abandoned, unwanted or unloved ever again.

How we help

Because of the kind support and donations Together for Animals receives, we are able to help change the lives of cats, dogs, donkeys, and horses by:

- Fighting to ensure animals are treated with the respect and kindness they deserve
- Finding happy homes for abandoned or unwanted pets and horses
- Campaigning for animal welfare
- Providing free veterinary care for working animals in the world's poorest communities

Every cat, dog, donkey and horse helped depends on donations from people like you who share our love of animals.

Supporting Together for Animals is an easy and effective way of helping a variety of animals in need, making a difference to their lives, now and in the future.

Your donations are shared equally between all four charities.

Together, we can ensure that all animals have happier, healthier lives.
